Customer Refund and Returns Policy

Document ID: CS-POL-2024-07 | Effective Date: March 1, 2024 | Version: 2.4

1. OVERVIEW

Northfield & Vale Retail Group ("the Company") wants every customer to be satisfied with their purchase. This policy outlines the conditions under which merchandise may be returned or exchanged, and how refunds are issued, across all product lines: Home & Kitchen, Electronics & Accessories, and Apparel & Footwear.

2. GENERAL RETURN WINDOW

2.1 Most items may be returned within 30 calendar days of the original purchase date, with a valid receipt or proof of purchase (order confirmation email, packing slip, or loyalty account lookup). 2.2 Items must be in unused, resalable condition with original tags and packaging, except where the return is due to a manufacturing defect. 2.3 Returns without a receipt may be issued as store credit at the lowest advertised price within the past 90 days, at the discretion of store management.

3. PRODUCT-LINE-SPECIFIC RULES

3.1 Home & Kitchen: Small appliances may be returned within 30 days if unused and in original packaging. Opened consumables (e.g., cookware seasoning kits) are final sale. 3.2 Electronics & Accessories: Return window is 15 days from purchase due to rapid depreciation. Items must include all original cables, manuals, and packaging. A 15% restocking fee applies to opened electronics unless the item is defective. 3.3 Apparel & Footwear: Return window is 45 days. Footwear must be unworn, with soles free of scuffing, and returned in the original shoebox.

4. DEFECTIVE OR DAMAGED MERCHANDISE

4.1 Items that are defective upon arrival or damaged in transit may be returned or exchanged at no cost within 60 days of purchase, regardless of the standard return window. 4.2 Customers should report defects through the online Returns Portal or by contacting Customer Support at 1-800-555-0142 to receive a prepaid return label. 4.3 Defective electronics under manufacturer warranty (typically 12 months) may alternatively be routed directly to the manufacturer for repair or replacement.

5. REFUND METHODS AND TIMING

5.1 Refunds are issued to the original form of payment whenever possible. 5.2 Credit card refunds typically post within 5-7 business days after the returned item is received and inspected at the returns processing center. 5.3 Cash purchases under \$75 may be refunded in cash at the store; purchases of \$75 or more are refunded by company check within 10 business days. 5.4 Store credit issued for gift purchases or receipt-less returns does not expire.

6. ONLINE ORDER RETURNS

6.1 Online orders may be returned by mail using a prepaid label generated through the Returns Portal, or in person at any store location. 6.2 Shipping charges on the original order are non-refundable unless the return is due to Company error (wrong item shipped, defective product, etc.). 6.3 Online returns are typically

processed within 3-5 business days of receipt at the distribution center.

7. EXCLUSIONS

The following items are final sale and not eligible for return or refund: gift cards, clearance items marked "Final Sale," personal care items with broken hygiene seals, and custom or personalized orders.

8. EXCHANGES

8.1 Exchanges for a different size or color follow the same eligibility windows as refunds. 8.2 Price differences on exchanges are charged or refunded at the time of exchange.

9. ESCALATIONS

Customers who believe a return was handled incorrectly may request a supervisor review in-store or escalate to the Customer Experience team at escalations@nvretail.example. Most escalations are resolved within 5 business days.

This policy applies to purchases made on or after the effective date and supersedes all prior versions.
